

Things that I need to do

- Book a home removal company
- Clear house and give unwanted items away
- Notify utility services to stop or transfer to the new home
- Give notice to landlord
- Buy packing materials
- Packing rarely used items
- Notify local authority about the move
- Contact post office to redirect mails
- Pack all items except for those necessary for the last few days
- Contact people that I need to notify about my home move
- Arrange final gas/electricity reading and pay outstanding bills
- Cancel/redirect paper, milk, magazine, DVD delivery
- Put important items in a safe place
- Obtain a new TV license or transfer to the new home
- Packing all other things
- Clean around the house to give a nice welcome to new owners
- Disconnect all appliances
- Turn off electricity, water, gas supplies of the old home
- Confirm delivery date and time with removal company
- Close and secure windows, doors and entrances of the old home
- Make sure nothing is left behind
